karşı koruma

Ultrasonic stitches

Ultrasonic stitches prevent leakage from these areas.

One-piece Hooded Design

Three dimensional hood design with elastic band around the face opening, insures a better fit on the face maximizing the protection effect.

Security Tape

Thanks to the security tape, any leakage from the zipper area is prevented.

Elastic Cuff

The cuff uses an internal elastic band to further enhance tightness and protection.

- The front closure is provided with a zipper and the zipper fly is fixed to the opposite wing with double-sided tape.
- Easy to put on and take off.
