

BIOBLOCKED[®]

MM 0299 MEDICAL MASK-TYPE I

In these pandemic days, we wear masks to protect ourselves from any threat to our health. From professionals to individuals, we all deserve the best protection.

3 Layers

Integrated Nose Clamp

Soft Elastic Band

Medical face masks are used for patients, especially in epidemic or pandemic situations to reduce the risk of infection spread. The purpose of the mask is to protect the user against infectious substances (bacteria, viruses or fungi). Our masks come with nose wire and soft elastic ear loops. They are comfortable to wear with easy breathability and excellent filtration.
